Product Brochure

VC2BN Series

Model: VC2BN

Category: Centrifugal Monoblock Pumps

Brand: Metro ProTools

SKU: PT-VC2BN-1003

Overview

The VC2BN Series Borewell Compressor Pump is designed to provide dependable and high-performance water lifting from deep borewells. Built with precision-engineered components and a heavy-duty cast iron body, it ensures superior durability, efficient air compression, and continuous operation. Its rugged construction, energy-efficient design, and low maintenance requirements make it an ideal solution for demanding agricultural and industrial environments.

Key Specifications

Material: Heavy Duty Cast Iron

Unit of Measure: Piece

Minimum Order Quantity: 1 Unit

Warranty: 12 Months

Certifications: ISO 9001, CE Certified

Country of Origin: India

Key Features

- Heavy-duty cast iron construction for maximum durability
- Designed specifically for deep borewell applications
- High air delivery for efficient water lifting
- Energy-efficient performance with lower operating costs
- Low vibration and smooth operation
- Superior cooling for continuous-duty applications
