VOSCN Series (SINGLE PHASE)

Model: VOSCN-SP

Category: Open Well Submersible Pumps

Brand: Metro ProTools

SKU: PT-VOSCN-SP-1005

Overview

The VOSCN Series (SINGLE PHASE) Open Well Submersible Pump is engineered for continuous and efficient water pumping from open wells and water storage sources. Featuring a robust stainless steel and cast iron construction, premium copper winding, and a water-cooled motor, it delivers excellent hydraulic performance with minimal maintenance. Its compact design, corrosion resistance, and energy-efficient operation make it an ideal solution for residential, agricultural, commercial, and industrial water supply applications.

Key Specifications

Material: Cast Iron & Stainless Steel

Unit of Measure: Piece

Minimum Order Quantity: 1 Unit

Warranty: 12 Months

Certifications: ISO 9001, CE Certified

Country of Origin: India

Key Features

- High-efficiency open well submersible pump
- Suitable for continuous-duty operation
- Heavy-duty cast iron and stainless steel construction
- Water-cooled motor for superior cooling performance
- Premium copper winding for longer motor life
- Low power consumption with high discharge capacity
